## HD network upgrade: 2017/2018 conversion schedule

We want you to enjoy high definition at its best, so we're making major upgrades to our network. When completed, nearly all channels will be carried in HD.

The following charts detail exactly when each channel will be upgraded from MPEG-2 to MPEG-4 in 2017 and 2018. To learn more about what this means, please review our [Learn more about the HD network upgrade \(/english/support/article/8433/\)](/english/support/article/8433/) page.
